

### **Dr. Amanda Bullock – Session 3**

Bio: Amanda Bullock is an AI Adoption and Deployment Manager at OpenAI for Government, where she works with federal, state, and defense organizations to turn advanced AI into mission-ready capability. Before joining OpenAI, she served at the Air Force Research Laboratory (AFRL) for 15 years where she led efforts in AI, machine learning, data science, and digital transformation across the DoD. She holds a PhD in Electrical Engineering from the Air Force Institute of Technology (AFIT), an M.S in Applied Statistics and a B.S in Statistics.
